

## The easier way to pay that's made for today.

For everyday purchases WEPCO **Debit Mastercard®** is a safer, smarter alternative to carrying cash. Use it with confidence to:

- Speed through checkout online and in stores
- Safeguard against loss or theft with Mastercard ID Theft Protection™\*
- Get cash when you need it from one of the largest global ATM networks

Plus, every single purchase is tracked so you're always on top of your spending. Use it everywhere Mastercard is accepted!

WEPCO Debit Mastercard®

For every single  
way you spend  
your day,  
we make it easy.

The convenience of speed.  
The confidence of security.

## Find out what your WEPCO Debit Mastercard® can do for you.

Your day demands convenience. Your purchases deserve protection. And that's exactly what's built into your **WEPCO Debit Mastercard**. It gives you fast and easy access to your money, but with security and simplicity that cash can't offer.

### **With your WEPCO Debit Mastercard you can:**

- Pay for everyday purchases with funds directly from your checking account
- Buy online and in-store with security and peace of mind
- Get cash when you need it from one of the largest global ATM networks

## Convenience for how you live.

### **Load it to your digital wallets**

Load your Debit Mastercard® to Apple Pay®, Google Pay® and/or Samsung Pay®.

### **Make it your go-to card online**

Make sure to save your card information when you check out for the first time at your favorite online retailers.

### **Pay bills automatically**

Set up automatic payments for recurring essentials such as insurance, utilities and streaming services.

## Confidence is built in.

### **Chip card security**

An embedded microchip in the card creates dynamic data that is nearly impossible to counterfeit, making transactions more secure.

### **Mastercard ID Theft Protection™**

Expert 24/7 assistance is available should you become the victim of identity theft.\*

### **Mastercard Zero Liability Protection**

Protects you against any unauthorized purchases on your card if your card is lost or stolen.\*\*

### **Mastercard Global Service®**

Call us for help for all of your account-related questions or concerns, anytime, anywhere:

**1-800-MASTERCARD (1-800-627-8372).**

## Control that cash can't offer.

### **Track your spending on the go**

Keep a closer eye on your finances. Check your transactions online whenever you want or refer to your monthly checking account statement.

### **Spend alerts keep you posted**

Get real-time notifications based on your personal spending patterns – plus the ability to switch OFF your card to prevent unauthorized use.
