LAST DIVIDEND DECLARATION DATE: 1/1/2026

This disclosure covers your rights and responsibilities concerning your Kasasa Cash account and the rights and responsibilities of WEPCO Federal Credit ("Credit Union"). In this disclosure, the words "you" and "your" mean anyone who signs an Account Card, Account Change Card, or any other account opening document, or for whom membership and/or service requests are approved through the Credit Union's online application and authentication process. The words "we," "us," and "our" mean the Credit Union.

1. ACCOUNT OVERVIEW - Kasasa Cash is a free variable rate checking account with no minimum balance that rewards accountholders with dividends and nationwide ATM withdrawal fee refunds when they meet minimum qualifications during the account's Monthly Qualification Cycle.
2. PURPOSE AND EXPECTED USE OF ACCOUNT - This account is intended to be the accountholder's primary share draft account in which payroll transactions and day-to-day spending activities, including but not limited to grocery, gasoline, apparel, shopping, dining, sporting and entertainment transactions, are posted and settled.

The Credit Union reserves the right to determine if the account is being maintained for a purpose other than day-to-day, primary use. Accountholders who persist in making debit card transactions in a calculated and limited fashion in order to meet their monthly qualifications may have their accounts converted into a different share draft account or closed altogether. We also reserve the right to convert the account to a different share draft account if the account does not have any activity over six (6) consecutive Statement Cycles.

We have the right to close this account at any time, with proper notice. Our decision to close the account will not affect your existing obligations to us, including any obligation to pay fees or charges incurred prior to termination. No deposits will be accepted, and no checks will be paid after the account is closed. If the account is closed, you will forfeit any rewards that have not been credited to your account. A Credit Union check for the remaining balance, if applicable, will be mailed to the accountholder at the address indicated on our current records. Upon termination of your Kasasa Cash account, any optional add-on products / services associated with this account will also be terminated at the same time.

3. DIVIDEND RATE & ANNUAL PERCENTAGE YIELD (APY)

- a. Compounding & Crediting. Dividends will be compounded on a monthly basis. Dividends will be credited to your Kasasa Cash account on the first processing day of the following statement cycle. If you close your account before the dividends are credited, you will not receive the accrued dividends. Dividends begin to accrue on the business day you deposit noncash items (for example, checks).

If January 1, July 4, November 11, or December 25 falls on a Sunday, the next Monday is not a Business Day.

"Statement Cycle" means the period of time for which the Credit Union provides a summary of the financial activities and transactions that post and settle to the accountholder's account. See our website or contact us for specific Statement Cycle dates.

b. **Balance Computation Method.** We use the daily balance method to calculate the dividends in your Kasasa Cash account. This method applies a periodic rate to the principal in the account each day for the period. The period we use is the Statement Cycle.

c. **Dividend Rate & Annual Percentage Yield.** When your Kasasa Cash account qualifications are met during a Monthly Qualification Cycle, daily balances up to and including \$15,000 in your Kasasa Cash account earn a dividend rate of 3.93%, resulting in an APY of 4.00%; and daily balances over \$15,000 earn a dividend rate of 1.00% on the portion of the daily balance over \$15,000, resulting in a range from 4.00% to 1.18% APY depending on the account's daily balance.

When Kasasa Cash qualifications are not met, ATM withdrawal fees are not refunded and the dividend rate earned on the entire daily balance in the account will be 0.01% resulting in an APY of 0.01%.
